TEAM RETURNS FROM GUATEMALA

Mission Accomplished! The team from NJCF built a two-room house for a Pastor in Ocumbla. The house is next door to the church they built in 2008. The team also had an opportunity to minister in a church, distribute food and candy to children, and perform skits for the families living nearby.

TOGETHER WE CAN MAKE A DIFFERENCE

OPPORTUNITIES TO SERVE

New Jerusalem Christian Fellowship is partnering with **Together We Can Make a Difference** out of Jackson, MI on several upcoming projects.

- **Step Ahead Ministry**

If you have kids pants/shorts sizes 4-16 that are in good condition, but no longer fit your child, drop them off at the church. Together We Can Make a Difference will be putting together five sets of clothes for needy children in Jackson.

- **Help Cook a Meal**

Kid's Explosion teens are being trained on Friday nights to run the Kid's Explosion program in Jackson. (See insert for more details on Kid's Explosion). After their time of training each Friday night, a dinner is prepared for the trainees. Currently people are baking pizzas which are provided by Together We Can Make a Difference. To make the pizzas you need to be at the Salvation Army at 5:00 p.m. where we will be using their kitchen to prepare the dinner. Dates have not been given yet so please sign up on the bulletin board or call 592-8888 for more information.

- **Big Seed ≈ A Garden Give-Away**

Together We Can Make a Difference is looking for Jack in the Beanstalk story books, bean seeds and five-gallon buckets. Many of the individuals that live in Jackson move around a lot and a portable garden could be their answer. They will be having a bean growing contest on May 22nd so get some seed packets and start growing tomato plants, peppers or beans in a five-gallon bucket. The buckets will be given away to needy families on May 22nd.

“PASTOR TO PASTOR” MARATHON PLEDGE

Pastor Bob Norman of New Jerusalem Christian Fellowship successfully completed a 26.2 mile marathon in November, 2009. Numerous newspapers ran articles on the run because Pastor Norman indicated he felt called to run a marathon at the age of 56 and donate the pledge proceeds to build a Pastor's house in Guatemala.

Luke 6:38 Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you."

KID'S EXPLOSION

The History of Kid's Explosion:

Kid's Explosion was originally founded by Bill Wilson of Metro Ministries in New York City which is a sidewalk Sunday School program including home visitations.

Nathan Norman attended the Master's Commission in Atlanta, GA under the leadership of Vince Hungate in 1999. During his time in Atlanta, Nathan participated in Kid's Explosion and became a Pastor to many inner-city and under-privileged children. Upon graduation, he returned home to Michigan and felt led to begin the same program in Jackson during the summer of 2001. Nathan started with four locations and ministered to an average of 150 children per week in the Jackson area. Nathan continued the program for two summers and then went year-round in 2004. In October of 2005 through January 2006, Nathan and his wife Laura went to Haiti and upon their return home the couple solicited the help of Together We Can Make a Difference and the school systems in Jackson to help with the program. At that time the program was ministering to over 800 children per week and the program has continued to grow under the leadership of Bob Harvey of New Jerusalem Christian Fellowship. Bob has trained up leaders who faithfully serve the children of the Jackson area in over 18 locations with the Kid's Explosion program.
